

OUR MISSION

All Dogs Gym is committed to providing programs and services to enrich and enhance the lives dogs and their owners for the highest level of lifelong mutual enjoyment.

OUR TRAINING

Based on Gail Fisher's book THE THINKING DOG, our training is fun for both you and your dog. Our positive, dog-friendly methods teach you the management and training you need for the best possible relationship between you and your dog.

We've helped thousands of dog owners train their dogs using non-violent, positive, kind methods. *Our program is designed to give you the control you need for a pleasurable, well-mannered companion without violating your dog's dignity, damaging your relationship, or causing discomfort or pain.*

Our unique, positive training program includes exercises to give you control of your dog both **on leash** and **off leash**. Your dog or puppy will learn to sit and lie down on command, to stay when told, and to come when called. You will learn how to stop your dog pulling on the leash, eliminate undesirable behavior such as jumping up on guests, and much more.

RESULTS YOU WANT

Whether you have the perfect puppy, a problem dog, or anything in between, our program will give you the results you want.

In just five weeks you can lay a firm foundation for the behaviors you want most. You'll learn how to train your dog to come when you call, sit, lie down, stay and walk on leash without pulling. You'll learn how to teach your dog polite greeting and the calm behavior of the perfect pet.

Many owners find their dog's behavior improves simply from the lessons in our Fast Track I class. Want more? Our **five-week schedule** gives you options to train to the level of responsiveness you want in short, manageable time frames.

If class training does not address your specific problems, we will help you solve whatever issues you have. We want you to achieve the results you desire, and we are here to help you reach your goals.

ABOUT OUR CLASSES

Important information for you to know before starting class

OUR INSTRUCTORS

All our instructors are graduates of our unique Instructor Training Program, based on the very first University level program for dog obedience instructors that Gail Fisher developed and taught at the University of New Hampshire.

Our instructors are knowledgeable, experienced, caring professionals. We like dogs—and we like people, too. We are teaching **you** how to train your dog. You are our student, and we treat our students with respect and understanding.

BEFORE YOU COME

We require proof of current inoculations including Rabies for all dogs (except young puppies) enrolled in our classes. You may send this in with your application, or bring it to the first class. If your puppy has not yet completed his inoculations, you can still train with us. Please bring proof to the first class following the completion of his inoculations.

If your puppy has never been on leash, please ask us for leash training instructions in advance of your first class.

THE FIRST CLASS SESSION

The first class session is a Workshop without dogs. We get you started on the skills you'll be using, so you can get started at home right away with your dog. The second week, bring your dog to class in a plain collar, a harness, martingale collar, or head halter such as a Gentle Leader. Please no choke collars. Your leash should ideally be a 6' training leash with a light-weight bolt-snap. Please no chain or Flexi-leads.

Bring a container with lots of treats. We'll give you a sample of some treats most dogs love for you to try. If your dog works well for them, we have these treats available for sale, as well as Bait Bags you can clip onto your clothes to have treats easily and conveniently at hand for training. For more information on what to bring to class, see below.

Visit our web site: www.alldogsgym.com Or call us with questions (603) 669-4644.

(More on other side)

OUR CLASSES

Our classes are designed for your needs and wants. To best meet the requirements and busy schedules of our students, our Level 1 program meets one hour a week. In class you'll learn what to practice at home, adding new lessons each week to build your knowledge and your dog's training. With our positive training program, we can start training puppies as young as 8 weeks. There is no upper age limit (we've trained dogs as old as 12 years).

The cost of the five-week class is \$135. The fee includes the workshop plus 4 weeks of class, treats, clicker, homework sheets and **THE NEW CLICKER TRAINING MANUAL, Volume I** by Gail Fisher.

Want still more? We have Level 2, Canine Good Citizens class, and advanced classes; plus dog agility, breed handling, Rally-obedience, Flyball and other classes offering a broad range of training and fun that enhances your partnership with your dog and your dog's responsiveness to you.

FREQUENTLY ASKED QUESTIONS:

- **Training collar:** A plain buckle collar, Gentle Leader or harness. Please no choke, pinch or specialty training collars.
- **Leash:** A plain 6' leash with a light-weight bolt snap is best. Please no chain leashes or Flexi leads.
- **Treats:** Bring lots—and lots. We recommend small, easy-to-swallow training treats such as hotdogs cut into small pieces. You can microwave them to remove moisture and fat. Avoid crunchy treats that require your dog to chew and leave crumbs for him to clean up.
- **Feeding your dog:** Hungry dogs train better, so please don't give your dog a meal before coming to class.
- **Age to start:** Start your puppy as young as 8 weeks. Our methods are safe and perfect for both young and old. There's no upper age limit.
- **Clothing:** Comfortable casual clothes and sneakers are best.
- **Family members:** We welcome the whole family. Children can be involved in the training—with supervision, of course.
- **Dog behavior:** Not all dogs in class are friendly with the approach of other dogs. When you first come to class, to be on the safe side, keep a distance between your dog and other dogs.
- **Additional information and FAQ's** are on our website www.alldogsgym.com. Please visit it or give us a call if you have any questions.

GUARANTEED SPACE AND REFUND POLICY

- 1) **To guarantee a space in the class:** Payment in full prior to class starting date.
- 2) **Canceling Class Enrollment:** Please give us 24 hours notice if we are holding a space for you. We will refund your class enrollment if you decide not to attend; however, failure to cancel with 24 hours notice will result in a \$50 administrative fee.
- 3) **Refunds:** We do not give refunds after the 1st class session (Workshop); however, we do our best to accommodate students who need to transfer to another class session or to private lessons.

ENROLLMENT IS LIMITED and all our classes fill rapidly. Enrollment is on a first come, first served basis. If your application arrives after the class limit is reached, we will notify you of the next available class (or put you on a waiting list). *If you wish to confirm your enrollment, please call.*

FACILITY & LOCATION: All Dogs Gym classes are held in our Arena, the most modern, up-to-date facility in the Northeast, with the safest, most comfortable floor in the industry. Air conditioned and heated, there is no nicer place for you and your dog to learn together.

Our address is 505 Sheffield Rd., Manchester, NH 03103. Sheffield Rd. runs from So. Willow Street to So. Mammoth Rd, forming the base of the triangle behind the Yard Restaurant.

DIRECTIONS:

From Boston & Points South: 93 North to Exit 5 (No. Londonderry). Left off exit to Rt. 28. Go 3 miles to Yard Restaurant and bear right onto So. Mammoth Rd. Take the 1st left (sharp turn) onto Sheffield Rd. All Dogs Gym & Inn is on the left.

From Route 293, Exit 1, Manchester: Take So. Willow St. (Rt. 28) past Mall of NH, through 5 sets of lights. There's a blinking yellow light at the corner of Sheffield Road. Take a left at the blinking light, and All Dogs Gym is .3 of a mile on the right.
