## CDSP Workshop

Presented by Kim Wilson

Friday, May 13, 2011

5:30 p.m. to 8:30 p.m.

The Companion Dog Sports Program is a natural style competition obedience program for ALL dogs. The Companion Dog Sports Program sanctions trials where teams can earn titles in Novice, Open, and Utility Classes. Based in traditional obedience but utilizing dog-friendly training methods, handlers are allowed to talk to and praise their dogs during most of the exercises. However, CDSP Obedience differs from traditional obedience:

- No group stays or out-of-sight stays.
- No exercises where there are two unleashed dogs in the ring at the same time.
- Mixed breeds & disabled dogs are eligible and encouraged to compete!
- Exercise Modifications allowed to accommodate a dog's disability.
- Handler may give their dog a food treat at the end of each exercise.

For more information visit [www.companiondogsportsprogram.com](http://www.companiondogsportsprogram.com). You can also join the Yahoo group for CDSP obedience at [pets.groups.yahoo.com/group/CDSPobedience](http://pets.groups.yahoo.com/group/CDSPobedience).

This workshop is geared to both new and experienced teams. Learn the rules, scoring and how to get started competing in this great venue.

Workshop is limited to 20 working teams at \$50 per team. Unlimited Auditors at \$25 each.
