

A Free Workshop! K9 Nosework with Scott Williams*

Nosework is an exciting new activity for every dog and dog owner - from the dog sport enthusiast to the pet owner.

Dogs have an amazing sense of smell and a natural desire to use it - sniffing, hunting, exploring, learning. K9 Nosework develops your dog's instinctive behavior, focusing on your dog's natural abilities, and teaching you how to encourage and nurture them. ***Dogs LOVE it... and so will you!***

*Scott is the only Certified Nosework Trainer on the East Coast!
