

Agility Skills & Handling Cues

With Chris McQuillen

Want a smiling, happy agility dog?

Want a truly joyous partnership?

Want communication rather than frustration (for you or your dog)?

These classes are for you!!

- Creating a solid foundation of clear communication & handling skills vital for agility.
- Education for both handler and dog.
- Teaching your dog to recognize and respond to your cues — motion, verbal, physical and positional.
- Using games, positive training, and most importantly **FUN!**
- Building your dog's confidence, understanding and enjoyment!

Using short sequences, games and minimal agility equipment to build the skills you and your K9 teammate need—making it easy to practice these skills at home!

Two Levels:

1-Foundation Class / 2-Build Your Skills

6-week sessions - \$150 per session
