

All Dogs About Town

A New Class for Manners on the Move

What: An exciting new class that takes your well-earned training accomplishments out of the classroom and into the world! In this innovative and enjoyable class, you'll practice your dog's skills and learning in different locations throughout the Greater Manchester area.

Students will meet weekly in a wide variety of environments that includes parks, public shopping areas, dog-welcome stores and businesses, hiking trails, downtown city streets, outdoor eateries, and more. You'll learn how to strengthen your dog's skills practicing in real-world situations, increasing your dog's reliability when faced with real-life distractions, while you and your dog have a great time with fellow dog lovers and their dogs.

Prerequisites: Level 1 or above, or with permission of the instructor. Dogs must walk on a loose leash, and respond to basic cues (sit, down, stay). For dog behavior prerequisites, see application. Students from other training schools are welcome as long as they meet these requirements and agree to abide by our training philosophy (no use of collar corrections).

Where: The first class takes place at All Dogs Gym. Students receive a schedule of planned locations, including directions. If inclement weather requires a change of location, it will be posted on www.alldogsgym.com. Instructors will call students with any last-minute changes.

When: Class will meet Monday mornings 9:30 to 10:30, gathering at the different location(s) for the day's training.

Class fee: \$135 for 4 weeks.
