# Private Training and Boarding Training

**All Dogs Gym & Inn** offers training packages tailored to you and your dog to meet your goals—whether it's a well-behaved dog, the elimination of a behavior problem, meeting special needs and more.

## About Our Certified Trainers & Training

**Gail Fisher, CDBC, Wendy Bergeron, ACDT-BC, Jez Taft, ACDT-BC** and our team of talented trainers work with your dog. All our trainers have completed our All Dogs Academy training program and an extensive apprenticeship. Our team is devoted to dogs and to helping develop positive, cooperative relationships.

**Our programs use positive training** with a science-based approach that is fast, clear-cut and easy for the dogs and ultimately, the owners. Whether we work with your dog in Boarding-Training, Day Training, or work with you and your dog in Private Training lessons, the end result is a trained dog.

You can select from the following options:

## Behavior Consultations & Private Training

### **Behavior Consultation— \$225.00**

For dogs with behavior issues and for behavioral and training assessments. This is a one-hour session to enable us to learn what need to know about your dog, and to discuss your options and what the training program will entail.

### **Follow-up Lessons— \$100.00 for one. A 4-Pack is \$375.00**

Half-hour, one-on-one with a trainer to institute the program discussed in the Consultation.

### **Day Training—\$30.00**

Our trainers work with your dog while enrolled in Daycare, Day Boarding or the Puppy Place. We can enhance your dog's practice of behaviors you're training in our classes, and work on polite behaviors.

### **Meet & Greet Consultation – \$100.00.**

For those considering Boarding-Training for Behavior Modification training. This 30-minute session is to go over your dog's behavior issues, your expectations, and desires. Will be credited toward a training program if booked within 4 weeks.

## Boarding Training Packages

**Boarding-Training** is geared to your individual dog's temperament and personality. We do the work ... you enjoy the results.

**Our multi-week Boarding-Training packages include** (when appropriate):

- A copy of Gail Fisher's book **THE THINKING DOG**
- Practicing around a variety of different people and other dogs.
- Practice in situations set-up and arranged for your dog's education.
- Interaction and individual attention from our outstanding lodge staff, if appropriate.
- Training equipment specifically selected for your dog (a Gentle Leader or no-pull harness)
- Play session or other daily exercise to meet your dog's needs
- Interactive daycare, if appropriate
- Videos and photos of your dog
- Videos and/or written instructions for your at-home training
- Unlimited telephone/email support
- A private lesson at pick-up (by appointment)
- Follow-up lessons
- Potential in-home follow-up (location dependent)

**Here's a rundown of our popular Boarding-Training packages and options:**

### "Prep School"

Our most popular 4-week basic training package tailored to results you want and what your dog needs to achieve them. Designed to give you a well-trained dog as a welcome member of your household. This package includes useful behavior such as sit, lie down, stay, come when called and walk without pulling. Tell us what other behaviors you want, and we'll work on them.

**Tuition** \$4,800. (Value \$5300+).

**Package includes** a Private Lesson at pick-up (by appointment), 2 follow-up lessons, and unlimited phone/email support. (Additional weeks \$1,200/week. Each additional week earns 1 additional follow-up lesson).

### "Behavior Modification"

Behavior modification and training for dogs with aggression and reactivity issues. For dogs whose behavior requires special handling. Because of the unknowns involved eliminating serious behavior issues, we can't give you a firm time frame, but most dogs respond well with 6-weeks of training. We'll assess your dog and provide a realistic plan for your dog's rehabilitation.

**6 weeks Program** (minimum) \$7,500

**Package includes** all the benefits of Boarding school (if appropriate for your dog), a Private Lesson at pick-up (by appointment), 2 follow-up lessons, and unlimited phone/email support. Additional weeks (by agreement) \$1,250/week. Each additional week earns 1 additional follow-up lesson.

**Pre-Boarding-Training Meet & Greet Consultation** – \$100.00. For those considering Boarding-Training for Behavior Modification training. This 30-minute session is to go over your dog's behavior issues, your expectations, and desires. Will be credited toward a training program if booked within 4 weeks.

## Other Boarding-Training Options

Need training for a special-needs dog? We can train your deaf dog to hand signals, for example. Also, training dogs for owners with special needs. Talk with us about creating a program that works for you.

**1, 2, or 3 week training programs** –\$1,200 per week.

For a refresher, to work on a problem behavior or teach something new. For stays of a week or more, includes a written summary of your dog's training with tips for lessons at home, and phone/email follow-up advice (no follow-up lessons included).

**Daily training while staying at All Dogs Inn** – \$135. For short-term overnight stays, helpful to assess a dog, sharpen the dog's training or as a fun activity.

**Boarding-Training Appointments – (Scheduled in advance)**

## At the End of Your Dog's Boarding-Training

**Go-Home Appointment at Departure** – Depending on the length of your dog's Boarding-Training stay, the trainer may meet with you for a "go-home appointment" to review what your dog has learned. *You must schedule this appointment in advance.*

**Written Reports** – We'll provide you with a written report of your dog's training, along with tips and recommendations to help you continue training at home.

**Follow-up-Lessons** – Depending on which package you selected, the trainer will meet with you for the follow-up lessons included in your package. These lessons must be scheduled in advance.

**For a recommendation to best meet your needs and goals,** fill out our Behavior Intake Form <https://www.alldogsgym.com/forms/behavior-intake-form/>. We'll review your information so we can discuss the best options for you and your dog.
